02

## Own the room when you speak

Conversation and public-speaking practice you'll use in every interview after this.

03

## Figure out what career fits you

Personality Type, Enneagram and StrengthsFinder point you to the roles you'd be good at.

04

## 4 CMFAS papers, on us

The exams investment and private banking roles ask for. A real line on your resume before you graduate.

05

## Meet people going places

Industry leaders, plus driven undergrads from across Singapore. Every session is hands-on.

06

## Grow faster than you expect

We take people skills seriously. You'll be stretched on them every single day.

## CAN I JOIN?

- ✓ You have a local Diploma or full GCE 'A' Levels
